ARCHON'S REPORT

Well my brothers, let me once again invite you back, to the show that never ends. Yes, that's right, Beta Alpha's still here, 41 brothers strong and growing. The spirit is really great here this semester, with the initiation of six new brothers, (B.A. #400 - 405) I.F.C. President (Tom Hark) for the second straight year in a row, and the Senate President (Bob Morgan). Our relations with other fraternities has unbelievably improved. We now have parties with Tau Delta Phi on Tuesdays and parties either here or at Theta Chi on Thursdays. The Social Director is doing a Hell of a job!

House Conditioning has seen a lot of activity in the past year. With the recent completion of the dining room, 249 High St. is in the best shape it has ever been in since it became Beta Alpha chapter.

The Peter Jensen Scholarship has just been awarded (the week of March 31). The scholarship is awarded to an upper classman who is or has been active in student activities. The Dean of Students, the Archon of this chapter, the Inter-Fraternity Council president, and the Student Senate President are the members of the committee that awards the scholarship. From this time on, the scholarship will be awarded in September instead of the second semester.

The North Jersey Alumni Assoc. of Pi Kappa Phi is alive and growing, but it needs the support of you Alumni. The Alumni Assoc. isn't for the undergraduates, it's only for the alumni.

Our doors are always open, so please stop by and say hello. I hope to see you all at the Supreme Chapter in San Francisco. "Once a Pi Kapp, always a Pi Kapp"

Yours in Pi Kappa Phi,

John F. Lee, Jr.
Archon

TREASURER'S REPORT

Due to the adoption of the Annual Dues Program last year, the office of Treasurer has been greatly simplified. The collection problems are still there, but the large outstanding amounts aren't. Due to the work of my predecessors, a system has been developed in which the total resources of the house can be known at any time. In other words, this office has become more of a regulator of the house's funds than a collection agency as in the past. This present set-up is more desirable because a tighter control of the monies is possible, thus simplifying all budgeting.

In the past couple of years, we have been fortunate with the Rose Ball and have not lost any money. This year, though, due to inflation we were forced to raise prices so as not to incur any losses to the house. Once again we have broken even, due mainly to the efforts of Brother Morgan and his penny pinching policies.

Probably our next biggest accomplishment of the semester has been the complete remodeling of the eating area on the third floor. Once again, Pi Kapp's chapter of Nader's Raiders came through with the lowest prices possible for supplies. The time and money was well worth it. The kitchen is definitely the most beautiful room in the house.

Once again, we would like to thank the alumni for your continued support of the alumni pledge. The amount in the account is growing regularly and soon there should be enough money to safely cover us in the event of an emergency or the need of a major renovation. As you know, this account is of the dual signature type, where the signature of the Corporation and the under-

graduate Treasurers* are necessary for the withdrawal of funds. A two-third vote of the undergraduate brotherhood is also necessary.

Through annual dues, budgeting policies, penny pinching and lots of praying, I'm happy to say our finances are looking good.

Fraternally yours,
Ronald P. Szkodny

Ronald P. Szkodny
 Treasurer

THE COLLECTOR

Regardless of what National contends,
 Seven plus five will have to equal ten
 And if that don't seem too cool,
 Then blame it on this school.

Now Last years' seven was fine,
 And this years' nine was fun,
 But if our present one don't see the sun,
 That seven plus five will have to equal
 nine.

Now number one says these numbers don't
 jive
 But as I told him before,
 I had nothing to do with plus five,
 So I can't be all to blame for the score.

Now if our one pulls through in Tac,
 Next year we're gonna be on the rack
 Because ten plus five equals fifteen,
 And I don't know if we can make that
 scene

The Warden

SPORTS

Pi Kapp opened the 1975 IFC Basketball season with high hopes. The return of "Lead Foot" Winegar and "Brute" Krumins and the emergence of "Pa" Kaser gave us the strongest front line in the entire league. Coupled with the back-court tandems of "Rookie" Reid, Joe Aragona and Rich "6 Pak" Labinsky, there was no stopping this machine. The first five games saw us facing the leagues' powers. Four losses showed that this squad was one of the best, for these losses were lost by only a matter of two baskets at the most. We did recover enough to wind up with a 7-6 record. This was good enough for sixth place.

Our bowling team however has been the most pleasant surprise of the year so far. Led by Jeff Winegar, the team of Rich Ruff, Tom Zygmunt, Bob Morgan, John Lee, Chris Midgely and George Mayer have fought their way to third place, just two points out of first place, with several weeks to go in the league's duration.

Other sports news finds new initiate John Pugliesi (B.A.402) making both the varsity Basketball and Baseball teams at the school. Jeff, "lead foot, stone hands, Runt Gun" Winegar making the IFC all stars again for the third consecutive year.

Softball season starts soon, but question marks at most positions leaves doubt as to how we will do. We can only hope to make the playoffs, and if we stick together and work hard as we have done in the past, the results should be favorable.

Fraternally

Tom Zygmunt

OFFICERS

Archon:	John Lee
Treasurer:	Ronald Szkodny
Secretary:	Bruce Sack
Warden:	Nick Taglianetti
Chapter Advisor:	Gregory Ploussas
Historian:	Joe Aragona
House Manager:	Bill McCabe
Chaplain:	Tom Reid
Corporation Rep:	Chris Midgely
Editor:	Richard Ruff

SENATE

CAMPUS RELATIONS

Pi Kappa Phi is proud to announce that our brother, Bob Morgan, is now our new Senate President. Among other elected officers for the school's Senate were Richard Ruff, Electrical Engineering Representative, Brother Richard Szwec, Mechanical Engineering Representative, and Tom Hark, I.F.C. President.

In Student Activities, Rich Ruff was also elected Recreation Chairman.

This has NOT been an outgoing year for officers in all departments but, at least we got to control the BIG ones.

the King

FOR A SEASON

I.F.C. NEWS

This year, Pi Kappa Phi is alive and well and thriving in the I.F.C. Beta Alpha is very proud again to say that she participated in the I.F.C.'s Blood Drive finishing third contender out of 14 fraternities and one sorority. We are very fortunate to help the annual United Way Car Bash by donating another of our own brother's wreck. This makes two years in a row Pi Kapp has been able to give away another brother's car (without h' knowing it).

Also, last year, Brothers Aivars Krumins, Karl Kopans and Tom Hark were President, Secretary and I.F.C. Editor, respectively. This year Pi Kapp went one better among the newly elected officers are Tom Hark (again), Jeff Winegar, and John Lee, President, Secretary, and Treasurer, respectively.

Brothers were very willing to help out with the I.F.C.'s annual Children's Christmas party. They were generous in buying raffle tickets and helping out with the party itself.

Beta Alpha is not a self-centered house, but a very wide-spread house.

I.F.C. President
Tom Hark

SOCIAL ACTIVITIES

This semester our weekly parties have been switch from Friday to Thursday nights. The transition was made due to the difficulty of attracting females to Newark for a Friday party. The move has proved to be very successful and will be continued for the rest of the semester. An unbelievable fact is that girls now outnumber the guys at our Thursday nite parties.

On May 3, we will hold the annual Surfer Party. Every Alumni is encouraged and cordially invited to come, as we bid farewell to the great and illustrious graduating class of '75.

Another date to keep in mind is the weekend of May 16 - 18 for which we have planned a canoe trip down the Delaware. The cost will be about \$15.00 per person which includes a canoe rental and campsites for two nights. If you plan to attend please notify the house as soon as possible, so that the necessary arrangements can be completed. If your in the area, drop in, as there is always something "cooking" at the house.

Fraternally

Dennis Kaser
Social Director

Catch a Big one and come to the surfer party. May 3.

PETER JENSEN SCHOLARSHIP

The Brothers of Pi Kappa Phi have been and will be selling Peter Jensen Scholarship Raffle tickets until April 23.

Each year a scholarship is given to a student with financial need. The money for the scholarship comes from the raffle.

The raffle is held as a memorial to Peter Jensen, a brother of Pi Kappa Phi, who was killed five years ago at a talent show by a group of blacks who accosted him in the parking lot.

Chances cost one dollar each and the prize is a 12-inch Hitachi portable television.

All the brothers of Pi Kappa Phi ask your support for this meaningful cause.

Fraternally yours,
Tom Reid
Chaplain

PI KAPP SHORTS

Do you know why you don't call your fraternity a frat ?

Hey Rosa, maka like dis....!

More than three quaters of the brotherhood has a state job this semester unemployment!

" We don't go to church, but we see God in our own way."

A special thanks to

Vilma Geneva, typist an artist

Supreme Chapter is coming this summer. Look for details in the mail.

CORPORATION NEWS

The biggest news of the year from the corporation was that there is finally five years to go on the house mortgage. The scheduled date for the final payment is November of '79.

At present, the officers are:
President Thomas Creaven (BA 327)
Treasurer Ed Esposito (BA354)
Secretary Bill England (BA 353)
Members at Large:

Jim Krucher (BA 341)
John Spiegel (BA 308)

The major considerations of the corporation are the condition of the building, and the possibilities of being forced to sell for urban renewal. This problem is unique, since even the city will not comment on it. This rumor has been here for a long while and will probably be here for many more years to come.

Fraternally yours

Chris Midgley
Corp. Rep.

To say that Roseball '75 was anything less than fantastic would be an understatement. From all indications, everyone had a great time, even the Roseball chairman. The undergrads really put a good show together and everyone who worked on the Roseball found it very rewarding. We had 146 people in attendance which, for an off-year, was much more than expected.

The Rose Queen this year is Jeanne Cleland. For several years with Brother Pete Cady, Jeanne has been a source of untiring devotion and inspiration to the Brotherhood. The first runner-up was Maureen Kaiser, pin-mate of Brother Steve Flatley. Second Runner-up is Peggy Roman, who was pinned to Brother Tom Hark earlier that evening.

Special thanks go to all the alumni who attended, and an extra special thanks go to Brother Jack Seward and his wife Jean. Jack graduated in 1953 and had more spirit and spunk than most of the undergrads! We hope to see him again next year along with some of our other alumni. Any comments, criticism, or suggestions concerning this year's or next year's Roseball, should contact the chairman of the Roseball committee. Again, thanks to all those alumni who attended, and we offer our consolation to those who didn't ----they really missed a good one!!!

Yours in Pi Kappa Phi

Bob Morgan

THE PROFESSIONAL

Future Events

Yankee or Met game; The North Jersey alumni Association is currently making arrangements for a bus trip to a baseball game at Shea stadium; the trip is planned for a Friday night sometime in May. The price of the ticket, the meal on the bus, and of course, the Beer, will be about \$5.00 per person. All NJAA voting members will receive a discounted price. Details will be sent out to you by mail.

Alumni Picnic; On Sunday, May 18th, the NJAA will hold its first picnic. The festivities will be held at 402 5th Ave. Bradley Beach. Beer, salads, and a hot grill will be provided. Just bring food, your women, and yourself. The picnic starts at noon which will give you plenty of time to get there. This picnic will serve as a warm up for the undergrads picnic in June. If you get lost using the map (enclosed) call 744-9443, our picnic hotline. Don't forget to bring your shorts because we expect to hit the beach.

Other events; Alumni - undergrads softball game, Sunday, April 27th, 1975. The big clash will occur at Branch Brook Park at 10:00A.M. See You There

PARENTS'S DAY

Parent's Day, this year was held on a beautiful Sunday afternoon. It drew about 110 people including all the parents. The parents of the pledges and the brothers finally saw just what fraternity life was all about, in between feasting on the buffet and refreshments.

All the rooms were open for inspection, and had been cleaned and straightened up, not to mention the brothers and the pledges themselves. Movies were shown in the back, highlighting the most memorable Pi Kapp moments.

All in all, it was a very enjoyable afternoon, and we are all looking forward to seeing you all there next year.
